TOOLKIT FOR CAPACITY BUILDING

This project is co-funded
by the European Union

Aims

- ❖ Strengthen the skills and capacity of SESO's to support early stage social entrepreneurs (from idea to scaling impact)
- ❖ Strengthen the peer network of social entrepreneur supporters
- ❖ Voice effective and innovative practice in early stage social entrepreneurs support to a community of SESO's

Expected Outcomes

- ❖ Understanding of the key journey stages of early stage social entrepreneurs
- ❖ Understanding of the barriers faced by and support needs of both social entrepreneurs and their ventures
- ❖ Empowered SESOs to provide support to social entrepreneurs and their ventures
- ❖ Increase learning and facilitated access to tools they can use to improve the quality of support they are able to provide to social entrepreneurs, embedding this into their practice
- ❖ Development of a peer support network they feel connected to, and continue to share experience and knowledge with.
